Skin care for men

There are three new kits from Anthony Logistics for Men on the market. The Shave kit aims to eliminate shaving burn, blackheads and ingrown hairs; it includes a facial scrub, a shaving cream, after-shave balm and 2 pre-shave oil samples. Aiming to hydrate, renew and soften the complexion, the Face set includes a glycolic facial

cleanser, deep pore cleansing clay, all purpose moisturiser and 2 facial scrub samples. The Body set, for top to toe cleansing, includes a citrus body cleansing scrub, glycerin hand and body lotion and 2 samples of mud scrub exfoliating bar. Available from Perfumes & Companhia (in Algarve Shopping) and Barreiros Faria, each kit costs €39.
