VOLUMIZING  
SHAMPOO**

With Lightweight Proteins and Poly-Sugar  
For Flat, Thin, or Lifeless Hair

This lightweight shampoo is infused with a blend of naturally-derived proteins and poly-sugar to protect all body to thin and lifeless hair. Kiehl's chemists have utilized the latest in haircare science—a volumizing complex that coats hair to impart a healthy, richer appearance and vitality—and combined it with the long-act upon benefits of Rice and Wheat Proteins to create a hair and body without stripping hair of natural oils. With Pure Honey and conditioning extracts of Alpha Keratin and Keratin, our lightly foaming shampoo cleanses hair, leaving no weighty residue so it looks and feels healthier with a fuller and thicker appearance.

**DIRECTIONS:** Apply to wet hair and massage thoroughly over entire scalp. Rinse. May be used daily or as often as needed—to revive and add body to hair. For extra volumizing, we recommend following with Kiehl's Rice & Wheat Volumizing Conditioning Hair Cream with eyes closed, rinse immediately with water.
